“A MESSAGE FROM OUR PRINCIPAL

Dear Families,

Thank you to all who joined us for our Meet the Leadership Team morning. It was wonderful to see such strong attendance and to share our vision for Amity English School.

Together, we focused on the values of kindness and progress, the importance of listening and constructive feedback, and how, as a community, we can create an environment where educators, families, and students all thrive.

Your engagement and support mean so much as we walk this journey together.

Looking ahead, we are excited to welcome you to our Meet the Teacher Afternoon next Thursday. This will be a chance for you to step into your child's classroom, meet their teacher, and gain a deeper sense of the routines, expectations, and learning experiences shaping their school life.

Next Friday, we will also mark International Peace Day - a day that resonates strongly with our school values of kindness, acceptance, and tolerance. To celebrate, all students and staff are invited to wear white to school as a symbol of unity and hope.

Finally, a huge well done to our Year 1 students, who impressed us all in their Talent Showcase. It was a wonderful opportunity for them to build confidence, learn more about one another, and develop their audience skills. We are very proud of the courage and creativity they demonstrated on stage.

Thank you, as always, for your support and partnership.

Warm regards,

Mr. Samuel Holliday
Principal

”

SAVE THE DATE

Meet the Teacher: 18th Sep 2.15PM - 3.15PM

International Peace Day (wear white): 19th Sep

Parent-Teacher-Student Conferences: 9th Oct on Zoom and 10th Oct Face to Face

 BIG SMILES AND NEW DISCOVERIES IN FOUNDATION STAGE

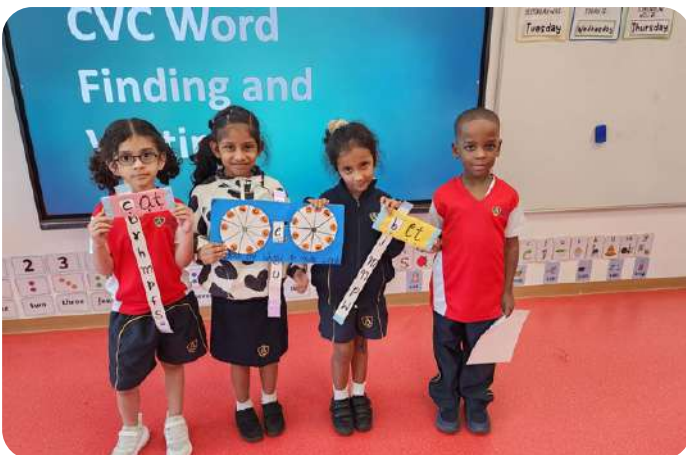

This week has been full of excitement as our FS children are happily settling into their classroom routines and embracing school life with big smiles! In FS1, the focus was on family. The children proudly shared their family photographs with classmates and took part in a variety of engaging activities around this theme. A highlight was creating their own family portraits, which they were delighted to display. In FS2, the children went on an emotional adventure with the story "The Colour Monster." Through this lovely book, they discovered how different colours can represent different feelings. It was wonderful to see them express their emotions with confidence and talk openly about the many feelings they experience during the school day.

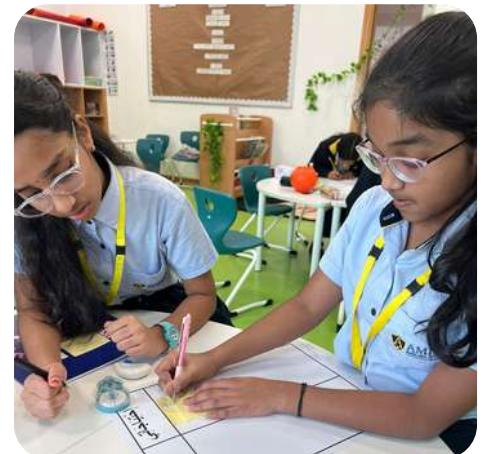

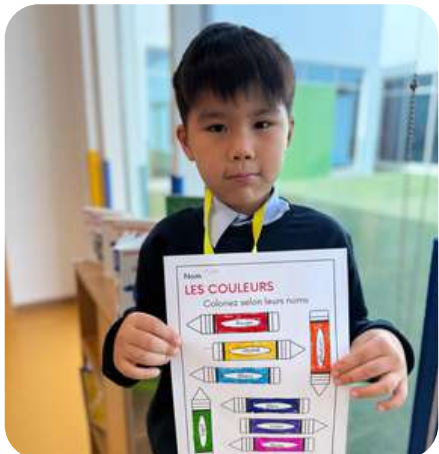

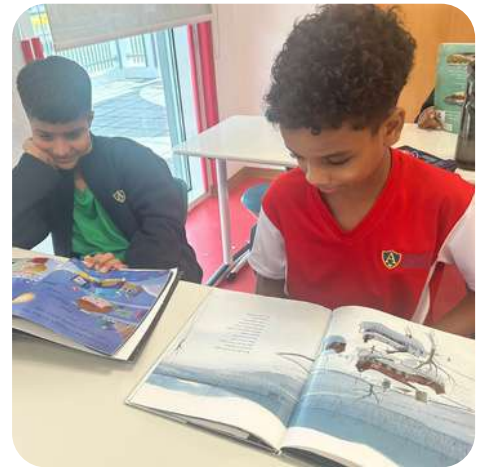

CREATIVITY, CONFIDENCE, AND CELEBRATION IN KS1

Our KS1 students have been actively exploring creativity, collaboration, and hands-on learning through a variety of engaging activities. These experiences have boosted their self-esteem, highlighted their individual strengths, and celebrated their unique qualities. It was wonderful to see them enjoy DEAR time and participate in International Literacy Day. In Year 1, children also showcased their talents during the Talent Show, while practicing forward counting through interactive activities and strengthening their phonics skills by creating CVC words with focused practice.

A DYNAMIC START TO THE TERM IN KS

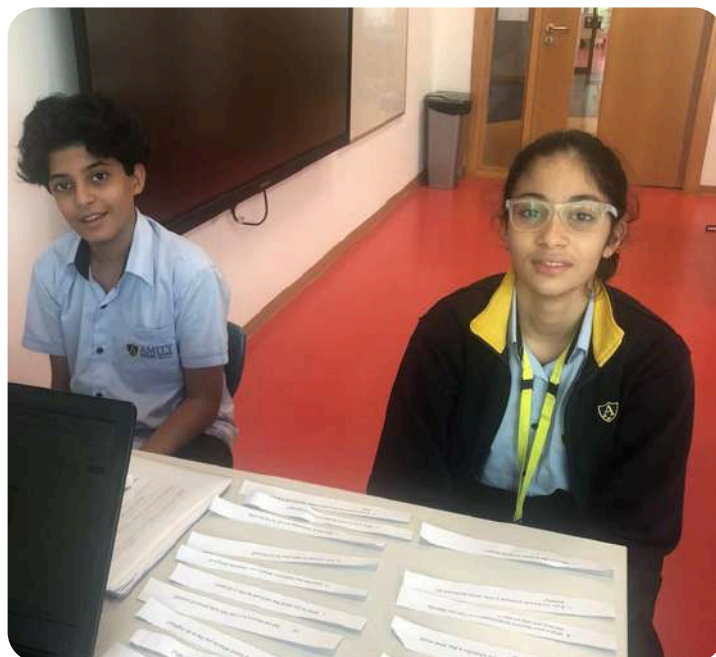

Students in Key Stage 2 have made a strong start to the term. In English, they completed their baseline assessments and began exploring main ideas in reading comprehension, while in Mathematics, they wrapped up Algebraic Expressions with a Kahoot quiz before moving on to the Number System. In Science, students investigated air resistance through parachute experiments and created classification keys for living things. Humanities lessons focused on continents, oceans, and important imaginary lines. In Arabic, students began building vocabulary, mini dictionaries, and simple sentences, while French classes introduced colours, conversations, and short self-descriptions. Islamic Studies lessons covered Tajweed, recitation, and the themes of selected surahs.

LAYING THE GROUNDWORK FOR SUCCESS

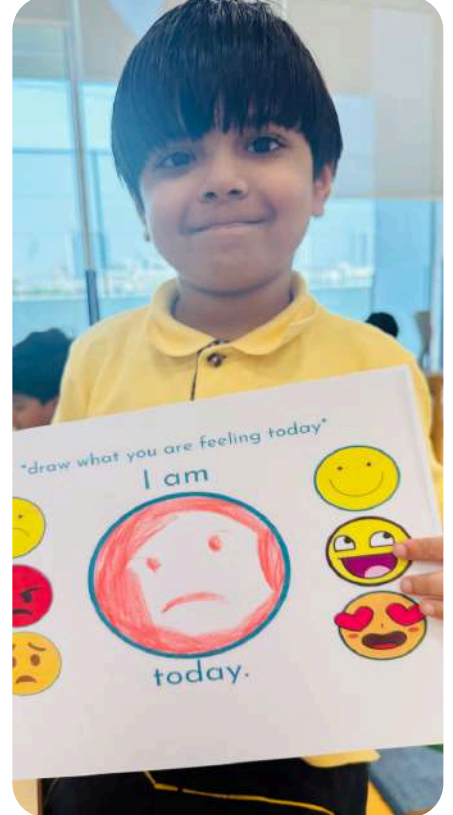

KS3 Students have made a strong start to the term—completing baseline assessments, reviewing key concepts through interactive activities, and exploring new topics through hands-on learning and observation. This week, students also began building vocabulary, writing their first paragraph, completing a spelling task, and starting to construct sentences using new words. A fantastic beginning to their learning journey!

ENERGY, TEAM SPIRIT, AND PLENTY OF FUN

Students enjoyed an exciting week in PE filled with movement, teamwork, and laughter. They practised new skills, joined in friendly challenges, and discovered the joy of staying active. The activities helped them build fitness, confidence, and cooperation while making sure everyone had fun together.

Wildlife Innovators Competition 2025

With Dubai Safari Park

Love animals?

Have a big idea to protect them?

Turn your creativity into a real solution that helps wildlife thrive!

Dubai Safari Park is thrilled to announce a unique competition for students to put their creativity and passion for animals into action. We are calling on the next generation of eco-champions to take part in **the wildlife innovators competition 2025!**

Design and build a simple prototype (or model) **that solves a real problem faced by wild animals** — from protection to rescue.

Whether it's cleaning up habitats, preventing harm, or **saving lives your innovation can make a difference.**

Open to students with a passion for animals and nature.

Last day to register: 30-09-2025

Think green. Act bold. Help wildlife thrive.
Join the mission with Dubai Safari Park

Because nature needs inventors like YOU!
